## State of Schools Report

STATE Nebraska Reading Standards - All Students including students in Special Education and English Language Learners

Click to choose a grade: 3 4 5 6 7 8 11

The red buttons represent the benchmarked grades for districts. Each district reports on State standards at the benchmark grades of 4, 8 and 11. Some districts have been approved to report on local standards and at other benchmark grades. The silver buttons present performance results at NCLB required grades.
